## options

For a complete list of optional accessories, please view our "Closed Cart Accessories" brochure.

### The re•volve™ caster

New maintenance-free re•volve™ caster is a proprietary component of Pedigo Products, Inc.

Rated to 280° Fahrenheit, this high temp thermoplastic caster features four precision bearings in each caster - *best in the industry*. Twin sets of precision stainless steel sealed ball bearings in the axle and swivel improves cart handling, maneuverability and reduces the overall push/pull force by 32%.

### STAINLESS STEEL CASTERS

- Ideal for daily cart washes
- Large 6" easy rolling casters
- All stainless steel material and bearings for a rust-free caster
- Two lubrication points for ease of maintenance

### SEALED CASE CARTS

- Carts provide an added level of protection against dust and debris. Full seal around the door perimeter and center stop. Withstands cart wash/dry temperatures and sanitizing detergents

### WIRE SHELVES

- Electro-polished stainless steel
- Easy to adjust or remove
- 3/16" diameter wire welded to ¼" diameter wire support rods
- Max. opening between rods 1" x 8¾"
- Option of roll-out or stationary shelves

### SOLID SHELVES

- Steril-Gard construction
- Easy to adjust or remove
- 18-gauge stainless steel
- Option of roll-out or stationary shelves
