

BASSINET BASKET CARE AND CLEANING

- Use common household, non-abrasive cleaners.
- Use a soft cloth or sponge with soap and water or diluted bleach solution. If using a household cleaner, make sure it is recommended for use on polycarbonate by the cleaner's manufacturer. **Rinse well** and dry with a soft clean cloth.
- **DO NOT** use benzene, phenols, ketones or esters such as acetone, ethyl acetate or other chlorinated organic solvents.
- Remove dust and dry dirt with a soft, damp cloth.
- Clean grease, oil, paint and ink stains with diluted isopropyl (rubbing) alcohol. Dry with a clean, soft cloth.
- Avoid using razor blades or other sharp instruments that might scratch the surface.
